Cottage Pads

The perfect guest needs the perfect hostess gift...to ensure that you get invited back again. If you're lucky enough to get an invitation to a cottage or cabin this summer, you'll be sure to win the Guest of the Season award with these personalized notepads (no need to pad the vote either). They're perfect for shopping lists, keeping Scrabble scores and much more. At 4 1/2" x 5 1/2", this perfect gift includes 2 pads of 30 sheets—wrapped in cellophane and tied with raffia, all ready to go. *(Available from www.wheredidyougetthat.ca, \$20 for 2 pads)*
